

Sigma Nu Tau Entrepreneurship Honor Society

New Chapter Referral Program

Earn \$250 or more for your chapter by referring other colleges & universities to establish a Sigma Nu Tau Chapter!

Purpose: To encourage more colleges and universities with entrepreneurship programs to establish a chapter of Sigma Nu Tau Entrepreneurship Honor Society to promote, recognize, honor and reward academic excellence in entrepreneurship.

Many faculty members and administrators have contacts at other institutions with entrepreneurship programs. Acting as a goodwill ambassador of Sigma Nu Tau by encouraging these institutions to become chartered members will enhance the reputation of Sigma Nu Tau and benefit your chapter financially.

Eligibility Requirements and Procedure:

1. Only Sigma Nu Tau members of a Sigma Nu Tau chapter in good standing are eligible to participate in this referral program.
2. A faculty advisor, faculty secretary, faculty member, administrator, or student from a chartered chapter must make contact with an institution that offers an undergraduate or graduate entrepreneurship program that is not presently in the process of petitioning to become a Sigma Nu Tau chapter.
3. There is no limit to the number of referrals that can be made by an institution. See Referral Rewards below.
4. The person making the referral should highlight the benefits of joining Sigma Nu Tau. Please refer to the Sigma Nu Tau website for information for prospective members (www.sigmanutau.org) and for petition to charter forms and membership application forms.
5. If the institution contacted is interested in applying to Sigma Nu Tau to establish a Sigma Nu Tau chapter, please fill out the attached Sigma Nu Tau Chapter Referral Program Form and send it by mail, fax or e-mail to:
